Our Core Capabilities:

Established in 1948, The Baltimore Auto Supply Company specializes in delivering new auto parts and supplies to small and large government and commercial fleets - domestically and internationally. With a flagship 62,000 square foot warehouse and additional office complex, our auto supply product specialists are serving government installations worldwide.

We Supply over 180 distinct brand name product lines with over 300,000 SKUs which include:

- ✓Hard Parts
- ✓Tools
- ✓Diagnostic Equipment
- ✓Tire Chains
- ✓Shop Supplies
- ✓Tire Changers
- ✓Automotive Maintenance Chemicals
- ✓Green/Environmentally Friendly Absorbents, Paper and Janitorial Products
- ✓Customized programs to manage any size national and local fleets with dedicated auto supply product specialist who will help you monitor your inventory
- ✓Published Reports including: weekly, monthly, quarterly and yearly sales, usage, core and other auto supply inventory and sales management reports.
- ✓And much, much more! If you can't find it, let us find it for you.
